

CIPFA SE Council 25 May 2022

Paper SEO2220

PF Live – 13/14 July 2022 at ACC Liverpool

The conference programme is at <https://publicfinancelive.org/>

No additional expressions of interest have been received from Regional Council members following our February and March Regional Council updates. Therefore, Council is requested to approve the registration of Kathryn Long and John Barker as CIPFA SE Council representatives, plus any Regional Student Executive nominees (and see item 6 above). Budget commitment is c£1100.

Any additional expressions of interest for attendance and associated travel and accommodation costs are requested subject to our £2,000 budget capacity.

Conference accommodation for regional councils' delegates has been reserved at Premier Inn, Albert Dock, Liverpool.

Our own Regional Council delegates may be required to join a rota for assisting the NW Region (as locality hosts) in stewarding and regional stand hosting - as has been the practice during previous years' live events. Further information should be available soon.

Additionally, it will be useful to know which CIPFA Council Members are attending and also which Regional Council members are attending as employer paid delegates or exhibitors – it is likely that our Regional Council will be well represented anyway through those delegates at this year's PF Live.

John Barker

Regional Secretary CIPFA SE
